L'Taken

SOCIAL JUSTICE SEMINARS

A Jewish Social Justice Program in Washington, D.C.

Get ready for a fun, meaningful and exciting trip to Washington, DC.

Throughout the weekend, we will give you the knowledge and tools to write an effective, persuasive and passionate speech on a topic of your choice to present when you visit the offices of your Senators and Representatives. Lobbying a Member of Congress is a unique experience that very few Americans take advantage of and one that can have a significant impact on the course of legislation: after meeting with our students, Members of Congress have chosen to co-sponsor, offer amendments to and vote for pieces of legislation that participants discussed. We expect to have similar stories to tell after you present your remarks this year. We're excited for you to join us in Washington where you'll discover your power to be an effective advocate and a Jewish voice for justice in the nation's capital. And, of course, we'll also make sure you have time to explore D.C. and to make new friends from across North America!
